**Dr. MANMOHAN SINGH**  
**PRINCIPAL SECRETARY TO GOVERNMENT**

**ANNEXURE-II**  
**(G.O.Rt.No. 420 , AHDD&F (AH-III) Department, dated 21-10-2013)**

**GUIDELINES FOR IMPLEMENTATION OF SCSP SCHEMES**  
**FOR THE YEAR 2013-14.**

**1.LIVESTOCK SCHEMES :**

The following component wise allocations were made in BE 2013-14 under sheep & goat development:

**(Rs. in Lakhs)**

S.No.	Name of the scheme	SCSP
1	Sheep & Goat units	1000.00
2	Ram Lamb rearing units	488.00
3	Mini Goat units	250.00
	Total	<b>1738.00</b>

**Implementing Agency:**

The schemes of small ruminants will be implemented by Andhra Pradesh Sheep & Goat Development Cooperative Federation Ltd which is designated as state implementing agency.

**District Level Sanctioning & Monitoring Committee:**

The committee will be headed by District Collector comprising with the members is responsible for implementation of the schemes:

- Joint Directors(AH)
- Managing Directors, DSBCU
- Lead Bank District Head
- President DSBCU

The district committee shall distribute the targets to the mandals and Banks and also finalize the cluster villages.

The district committee will monitor and approval for release of budget on the basis of the proposals received from the mandal selection committee.

The district committee will thoroughly check the proposals according to the plan component wise and finalize list of beneficiaries for issuance of sanction orders and the units are inter changeable.

The district committee will fix the last date for grounding of the units and to submit the UCs.

The budget released in a particular quarter should be utilized in that quarter itself otherwise further releases will be seized.

The Joint Directors (AH) will be held responsible if not utilized within the stipulated time. The funds released under special components like SCSP and TSP should be utilized by quarter ending of the releases made will be reviewed.

**Mandal Level Selection & Grounding Committee:**

The committee will prepare the action plan and identify the beneficiaries by conducting Grama Sabhas in selected cluster villages along with the area bank manager.

The committee will consist of

- Veterinary Assistant Surgeon
- President, PSBCS/Director DSBCU
- Bank Manager, concerned branch.

The beneficiaries selected should be from SCs only preferably from among the members of the Primary Sheep Breeder Cooperative Societies .

If the beneficiaries not available from the PSBCS, the non-members can be considered.

The beneficiaries will be selected from the below poverty line families identified by SERP among the SC community.

Rural SC women and SC unemployed youth will be given preference.

Families that have exposure to sheep rearing practices but not possessing any sheep will be preferred.

No other community beneficiary should be selected under the SC sub plan.

**Unit Cost & Subsidy particulars:**

S.No	Name of the unit	Unit size	Unit cost (in lakhs)	Subsidy per unit	Loan amount/Beneficiary contribution
1.	Sheep & Goat units	20 Ewes +1 Ram	1.00	50,000	50,000
2.	Ram Lamb rearing units	50 Ram Lambs	1.00	50,000	50,000
3.	Mini Sheep / Goat units	5+1	30,000	15,000	15,000

**Training & Exposure:**

All the beneficiaries selected under the above schemes have to undergo one day training on breed identification, managemental and health care practices of sheep and goat rearing. All the beneficiaries should be exposed to the scientifically running sheep and goat farm.

**Purchasing Committee:**

The purchasing committee shall consist of

- Veterinary Assistant Surgeon of the concerned area AHD,
- President Primary Sheep Breeder Cooperative Societies
- Representative of that bank,
- MPDO or his representative
- Beneficiary

The purchasing committee should invariably intimate the date of grounding, name of the shandy for procuring the units to the MD DSBCU and Joint Directors (AH).

The MD DSBCU/ Joint Director (AH) or his representative will attend the grounding at random and should certify the grounding.

**Procurement of the units:**

The units are to be procured as per the choice of the beneficiary from the respective breeding tracts only.

The procurement of the units shall be from the recognized shandies 50 kms away from the beneficiary villages.

Rahadari bill (way bill)/shandy transaction slip should be obtained by the beneficiary/JLG.

The transportation amount paid should be realistic and receipt should be obtained. The beneficiary photo along with the unit / asset created should be obtained.

**Risk Mitigation:**

To combat the adverse conditions like diseases, cyclones, accidents, fire all the assets created should be insured for **3 years** with the beneficiary contribution or with the existing social security scheme being implemented by either state Govt. or GOI.

**Record keeping:**

Sub plan wise budget release registers should be maintained at O/o. Joint Director (AH) with the list of beneficiaries selected by district committee headed by District Collector.

The dates of releases to the banks/beneficiary/VD should be in time and mark a copy to MD, APSGDCFL and DAH.

Beneficiary particulars should be recorded at concerned Veterinary Dispensary level.

The success stories among the beneficiaries who experiences and share the benefit should be documented and submit a copy to the District Collector and MD, APSGDCFL.

**Feedback:**

The VAS of the concerned area should regularly visit the beneficiaries where the assets were supplied.

The MD DSBCU should visit and verify the asset supplied on quarterly basis and the status should be intimated to MD, APSGDCFL.

The Divisional Asst. Director (AH) should visit and verify the assets supplied on quarterly basis.

If the VAS finds the units supplied are sold or the beneficiaries are benami or the transaction is benami, it shall be brought to the notice of District Collector, Joint Director (AH) to register criminal cases and to initiate revenue recovery act to recover the amount.

The VAS should install confidence to the beneficiaries who are exposed to adverse conditions and take necessary steps for mitigation of risk.

**2.IMPLEMENTATION OF LIVESTOCK DEVELOPMENT PROGRAMMES**

The following component wise allocations were made in BE 2013-14 under Livestock development programmes.

S.No.	Name of the scheme	SCSP (Rs. in Lakhs)
a	Area based mineral mixture	<b>800.00</b>
b	Support to Sc Gopalmitras	
i	Perforamnce based AI calf incentive	50.00
ii	Medical and Accident claims	19.00
iii	Interest free or one time subsidized supply of two wheeler	93.00
	Sub Total	<b>162.00</b>
	<b>Total</b>	<b>962.00</b>

**a) AREA BASED MINERAL SUPPLEMENTATION**

**Fund utilization:**

- The budget release for SCSP shall only be utilized for procurement of mineral mixture to assist the SC farmers only
- The JDs have to take both technical and administrative sanction for utilization of funds.
- Should maintain separate accounts for different components of funds.

**Selection of animals and beneficiaries:**

- The milch animal owned by farmers in the State at any stage of lactation can be enrolled under this programme.
- All the milch animals of SC's in the village / habitation shall be covered with saturation approach irrespective whether in milk or dry.
- Two or three habitations / villages shall be identified in the jurisdiction of each of departmental / Goplamitra centres in the State with special focus to SC habitations to implement this programme.
- The list of SC farmers who own milch animals shall be prepared in the **proforma** given below and submitted to the district level committee headed by the JD(AH) with DD (AH) ,VPC/SLBP and HQ Divisional AD as members for approval.

S.No.	Name of the farmer	Father's / Husband's name	GP / Habitation	Mandal	Caste	No. of animals enrolled

**Inputs to be supplied:**

- Each animal identified under this programme shall be supplied with 12 kgs of mineral mixture during the project period @ 3 kgs once in a quarter.
- Acknowledgement from the farmers to whom area based mineral mixture was supplied has to be obtained in the below mentioned format:

S.No	Name of the farmer	Father's / Husband's name	GP / Habitation	Mandal	Caste	No. of animals enrolled	Qty of mineral mix supplied	Acquaintance of farmer

- The feedback on the activity from 1% of the farmers in each of the identified villages ( taking village as unit) has to be obtained in the format given after three months of the initial supply of the inputs:

**Feedback Format on Area Based Mineral Mixture**

**A.General information:**

- i. Name of the farmer
- ii. Father / husband name
- iii. Village / habitation
- iv. GP
- v. Mandal
- vi. Caste
- vii. gender
- viii. Category
- ix. Adhaar card number
- x. Area Veterinary centre

## **B. Feedback**

### **1.Production:**

- a) Quantity of milk yield before feeding mineral mixture
- b) Quantity of milk yield ten days after started feeding mineral mixture

### **2.Reproduction:**

- a) Whether animal conceived at the time of supply of mineral mixture (YES/NO)
- b) If no, whether the animal has shown estrous signs 20 days after started feeding min mixture

### **3) Health condition:**

- a) General condition- improved / no change after feeding mineral mixture.

## **b. Support to SC Gopalmitras**

- Number of SC Gopalmitras – 970

### **i. Performance based A.I.calf incentive:**

- Rs.50/- incentive will be given per calf produced through AI by SC Gopalmitra.
- Incentive shall be paid for the calves produced on or after 01.04.2013.
- Proper Photograph of the calf along with Dam & farmer shall be taken.
- The beneficiary details shall be maintained.

### **ii. Medical & Accidental Claim: -**

- The Gopalmitras are working in rural areas covering about 8-10 villages every day in his jurisdiction.
- SC Gopalmitras face risk while travelling and also performing A.I. work while handling the animals. In order to provide a sense of social security to their families, Group Insurance coverage to the SC Gopalmitras with a premium of Rs.2000/- per head towards medical claim shall be under taken.

### **iii. Mobility:**

- Rs.10,000/- towards interest subsidy or one time subsidy for providing vehicle ( Two wheeler) to SC Gopalmitras for providing mobility to cover 8-10 villages in his jurisdiction so that the animals receive prompt A.I. or first aid to ailing animals within the scheduled time.

## **3. SUPPLY OF CALF FEED/REARING PROGRAMME UNDER CM PACKAGE**

- Well nourished female calves with good management during the early period of calf will attain early maturity and thus result in good reproductive health. Thus first few months of the female calf life is very important & crucial.

- Such female calves if nourished properly will conceive at an early age  
Thus, well nourished female calves will be more remunerative to the farmers.
- The female calves need to be provided with feeding & health support during the critical period of life to save the germ plasm.
- Hence it is proposed to provide Feed support, health support and Insurance coverage on subsidy basis to the elite female calves belonging to SC families during the first year of life.
- The enrolled female Calves will be provided with feed, health support & Insurance on subsidy basis for 24 months in case of CB calves and 28 months in case of Murrah calves. The subsidy required for calf feed will be supplied from Plan schemes under CM Package during the year 2013-14.

**Subsidy pattern:**

Item	Unit cost (Rs)	Subsidy (Rs)
Calf feed	3900/- (260Kg)	2925/- (75%)
Health care	500/-	500/- (100%)
Insurance	600/-	600/- (100%)
Total	5000/-	<b>4025/-</b>

- A subsidy amount of **Rs.4025/-** will be provided per female calf towards Calf feed, healthcare and Insurance charges.
- The subsidy amount will be released to the Joint Directors (AH) after enrollment of female calves and on submission of list of farmers.

**Selection of beneficiaries:**

- Beneficiaries belonging to BPL SC families have to be selected.
- A selection Committee consisting local Veterinary Assistant Surgeon, Divisional Assistant Director (AH), will select the beneficiaries during the Gramasabhas. The list will be submitted to the Joint Directors (AH) for finalization.
- Documentation will be made after selection of beneficiary
- The Joint Director (AH) in charge of district administration will scrutinize and finalize the list of beneficiaries and take the approval of District Collector. The list of beneficiaries shall be submitted to Head Office for release of subsidy.

**Enrollment of female calves:** Female calves born out of AI belonging to SC BPL families aged preferably from 3-4 months age group will be selected and enrolled.

- CB & Murrah/ graded murrah female calves will be enrolled.
- One or Two female calves per one family will be enrolled.

- Selection of calves shall be in a cluster fashion for effective implementation of the programme.

**Non-subsidy:**

- The non –subsidy portion shall be met from beneficiary contribution.
- The non-subsidy amount of Rs.975/- may be collected from the farmers at the time of enrollment.

**Supply of Calf feed:** calf feed will be provided to enrolled female calf worth Rs.3900/- which include an amount of Rs.2925/- of CM Package subsidy and Rs.975/- from farmer's contribution. Calfeed will be provided in three different spells / quarters as detailed below.

Quarter	Age of Calf in months	Avg. Caf feed per calf per day	Total Feed
I	4-6	500 gm	45 Kg
II	7-9	1.00 Kg	90 Kg
III	10-12	1.50 Kg	126 Kg
<b>Total</b>			<b>260 Kg</b>

- Calf feed shall be procured from the approved RC Firms and for approved RC Rates only.
- Growth pattern shall be recorded periodically. The growth pattern shall be examined by means of body weight, coat, texture, health of calf etc.

**Health care:**

- An amount of Rs.500/- is provided for health care. Periodical deworming and mineral supplementation to be taken up apart from providing medicines for calf scours or any other infection etc under health coverage.
